

**MOT 1ERE VICE-PRESIDENTE  
INTERNATIONAL WINE TASTING  
13/06/2018**

-----  
**Votre Excellence Première conseillère//Ambassade de France en Albanie/Isabelle le Guellec,  
First Counselor of the France Embassy in Albania,**

**Ladies and Gentlemen,  
Bienvenue! Welcome to all!**

Allow me to present on behalf of Julien Roche, our Chairman of CCI France –Albanie the best wishes for a great evening in this second edition of Wine Tasting. He couldn't join us in this great occasion to create a large network of idea, collaboration around a special glass of wine and friendship.

So, I have the pleasure to welcome you all to our Special **Evening, second edition of "Wine Tasting"**.

This evening it is a nice occasion to create opportunity to meet each other, to share innovative ideas and to consolidate or improve the existing one.

I would like your attention and a big applause to all the Chambers/associations for their collaboration and participation in this event:

- **CCI France Albania, DIHA, AmCham, Advantage Austria, British Chamber, Albanian Commercial Union (BTSH), CCI of Italy, ICC Albania, Producer of family wines (Prodhuesit e Veres Familjare), Nordic Association and Swiss Chamber.**

and I would like also to share a special thanks to the entrepreneurs present here tonight, bringing wine from everywhere:

- **France, Germany, Austria, UK, Swiss, Italy, Nordic countries and of course, Albania**

Over the last 300 years people have expounded about wine. From famous artists and politicians to an'onymous, allow me to mention some of the top funny wine quote:

"Wine improves with age. The older I get, the better I like it"

"People are like wine – some turn to vinegar, but the best improve with age."

Wishing that your business network and relation will be improved as a good wine!

Today you are invited to taste all of wines and create a great moment for you all, because the networking is a pleasure and necessity which lead to more business opportunities and more job around us.

And now, Ladies and Gentlemen, thank you once again for your nice participation and I am pleased to invite Mrs Stephanie Sieg, Chairman of DIHA for her speech.

**Je vous souhaite une belle soirée ! Enjoy this evening !**

**Elisabeth Gjoni  
1ere Vice-Présidente**
