

**Mei Realty** is an agency that operates since 2009 mainly in the field of Real Estate.

Our Ride and Success began in September 2009 by becoming part of the global network Century21 with one of the best offices in the Balkan region, until September 2017 when we thought our opportunities were greater to create an Albanian and international brand. After continuous consultations we thought that WE would be the name that will make the difference in the Challenging Market of Immovable Property Agencies. Based on our expertise over 8 years ago, our experts and associates have the pleasure to present you today: Mei Realty.

Mei name is our origin, the name that has accompanied us since our beginnings, is the name that makes us proud and our customers make them feel safe and confident in the advice and service we provide. MEI Realty is the new standard and the new approach to the real estate market.

We have our marketing department and also our trainers but also cooperating with the best trainer in the market. We believe that Progress and Continuous Growth is a necessity and that is why we need permanent training.

Remember: The choice is yours but the difference is WE. We are dedicated to serving you professionally.

Recently we are proud to announce that we are involved with life changing trainings, specifically we are officially partners with SUCCESS RESOURCES UK, we sell TONY ROBBINS seminar tickets and we aspire to expand the trainers circle. We are helping the Albanian people growth, the ones who are eager for success, we help them to overcome any obstacles and to grow financially! Our tickets for Tony Robbins "Unleash The Power Within" seminar were a total success with a registration level of approximately 35 people who attended the seminar in London!
